

Anthony M. DeSimone is in the business of monetizing yours!

Mr. DeSimone is a CPA and CMA who specializes in helping small business owners improve profitability, cash flow, and efficiency. With over 25 years of experience working with small businesses, including a start at the CPA firm Deloitte, he uses numbers, data, and AI to enhance team dynamics and business operations.

He owns 'You're the Expert Now, LLC' and also teaches at the University at Buffalo Center for Entrepreneurial Leadership, where he focuses on entrepreneurial education.

Mr. DeSimone is at the forefront of AI integration in business. He has leveraged ChatGPT to write and publish his latest book, 'The \$5 Foodie: Nutritious Recipes on a Budget Under \$5 ', in under 24 hours. His commitment to AI education is evident in his pursuit of a 'ChatGPhD' and his role as an accelerator course instructor on ChatGPT and AI. He also hosts the 'Get Your ChatGPhD' podcast, where he delves into the transformative impact of ChatGPT and AI on business.
